COORDINATORS: **André Giamberardino** (Universit  Federal do Paran ), **Francesca Vianello** (Universit  degli Studi di Padova), **I naki Rivera Beiras** (Universitat de Barcelona), **Luca Sterchele** (Universit  degli Studi di Padova) and **Richard Sparks** (University of Edinburgh)

Tambi n los d as 18 y 19 de mayo se celebr  el seminario internacional ‘*Law and culture in the juridical field of the prison: theoretical and empirical perspectives on the social uses of Law in prison*’ en el Instituto Internacional de Sociolog a Jur dica de O nati (Pa s Vasco).

Los entrecruzamientos disciplinares propios de la sociolog a y del derecho, redundaron en la presentaci n de numerosos *papers* que pusieron de relieve la actualidad de los debates cr ticos acerca de la prisi n contempor nea en la globalizaci n y los retos por encontrar caminos de descarceraci n, alternativas al encarcelamiento y creaci n de dispositivos para el registro y la comunicaci n de la violencia institucional.

La participaci n de numerosas personas investigadoras de la c rcel (procedentes de diversas ciudades de Espa a, de Italia, de Francia, de Brasil) revelaron la actualidad de los debates de una penolog a cr tica, como puede comprobarse con la lectura del programa que se acompa a.
