2) Congreso internacional:

CALL FOR PAPERS

“Interpreter-mediated interactions: Methodologies and models”

LUSPIO (ITALY), 7-9 Nov. 2013

(A tribute to Miriam Shlesinger)

LARIM (Laboratorio di Ricerca sulle Interazioni Mediate dall'Interprete) is a research group on interpreter-mediated interactions set up in October 2012 within the Faculty of Interpreting and Translation (FIT), LUSPIO University in Rome. The main focus of the research group is to promote descriptive studies based on fieldwork and authentic empirical data, with a scientifically sound theoretical and methodological basis.

4) Curso de verano sobre traducción:

Translation Group at Imperial College London, August 2013.
Intensive Summer Course in Translation Technology

Course Content: This intensive course provides practical and theoretical training in some of the most commonly used translation technology, including SDL Trados, Déjà Vu, Lxterm, memoQ and Lingo. The course also includes a module covering English for translators.

The course is open to speakers of any language but will be taught in English.

Application deadline: 20th May 2013

For more information, visit:

[www.imperial.ac.uk/humanities/translationgroup/
summertranslationcourses/translationtechnologyintensive](http://www.imperial.ac.uk/humanities/translationgroup/summertranslationcourses/translationtechnologyintensive)

To apply for a place, email Lindsay Bywood:
l.bywood12@imperial.ac.uk

5) Workshop:

« **Metaphor in Engineering Workshop** », sobre la traducción de la metáfora; Londres 2014.

Participants should have proven research experience in metaphor studies and be willing to contribute their expertise in the workshop. The Workshop favours preferably young researchers from all over Europe with good knowledge on metaphor use in specialised contexts. Most of the expenses of the trip will be covered by the workshop organization (pending funding availability).
